3/20/67

Dear Tom,

Here is the document-exhibit list. Sorry my only legal-sized paper is too old, but it is the best I can do. These sheets are too long for the usual paper!

A few are overexposed. The only places I think you might have had trouble making out the numbers I have written the in. If there are any others, possibly you can fix this copy up by borrowing Johnsons.

Sorry I could do not better.

Yours,
